Get notified the day before your collection. Search "Pomobile" on the Apple or Android app store, or go to portmoody.ca/recycle.

On your waste collection day:

Curb it – set out unlocked carts between 5:30am and 7:30am.

Point it - put wheels against the curb or just off the roadway.

Space it – leave at least one arm's length of space between carts.

Unclip it – Drivers can't empty locked carts.

On glass weeks – place your bin so it's the first thing our driver sees when approaching your house, followed by the smallest of your two carts.

Please remember:

Cart lids must close completely – do not overfill or overstuff.

We only collect waste in carts provided by the City no extra bags are collected.

Lock clips and secure carts as soon as possible after collection.

Keep bears away by rinsing carts frequently to reduce odours.

About your carts

About our waste collection program

- Set out unlocked carts at the curb between 5:30am-7:30am on your collection day, and re-lock and re-secure carts as soon as possible, and no later than 8pm. If your cart is not emptied by 8pm, bring it in and contact us.
- The City's Solid Waste Bylaw requires that you keep carts clean, locked and stored securely.
- Write your address on your cart and glass bin it helps staff assist with issues. If your cart is lost, stolen, or damaged, contact us immediately.

- Carts and your glass bin are property of the City of Port Moody. If you move, clean them out and leave them for the next resident to avoid replacement costs.
- If you can't move your carts due to physical challenges, and don't have anyone to help, contact us about our pack-out service.
- The City's Solid Waste Bylaw requires property owners to properly sort materials to reduce risk to public health or safety.

Large item collection

Dispose of large items with our pay-per-use system:

Contact Waste Connections of Canada Inc. at 604.525.2072.

Identify yourself as a Port Moody resident and request a large item pick up.

Put your item(s) out on the scheduled pickup date before 7am.

Pay Waste Connections of Canada Inc. as directed by their staff at time of booking.

Used floss, tooth brushes, toothpaste tubes

Worn and unusable toys and footwear

Manage your wildlife attractants

Managing wildlife attractants properly is how we keep people and bears safe. Leaving carts unlocked on non-collection days and setting carts out too early are bylaw violations. If you don't manage your garbage and other wildlife attractants properly, you could be **fined up to \$1,000** by the City. Report all wildlife conflicts to the BC Conservation Officers Service (COS) at 1–877–952–7277. By reporting early, COS can proactively reduce conflicts through education and enforcement.

Lock your carts, keep them secure, and rinse frequently

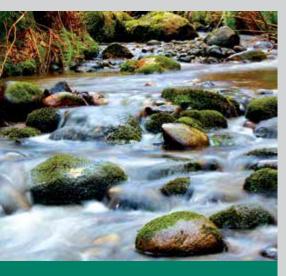

Set your carts out between 5:30am and 7:30am

Manage or put away your backyard attractants, like ripe fruit, BBQs, pet food, and bird feed

Let's clean up our recycling in Port Moody These common items are not allowed in your recycling cart:

- Not sure where to dispose of something? Start here:
- Download PoMobile the City's Solid Waste App – and check the Waste Wizard.
- Go to recycling.metrovancouver.org to find out where to recycle or donate thousands of materials.
- Find a multilingual list of what can be recycled at **recyclebc.ca**.
- Call the Operations Division at 604.469.4574 or email recycle@ portmoody.ca.

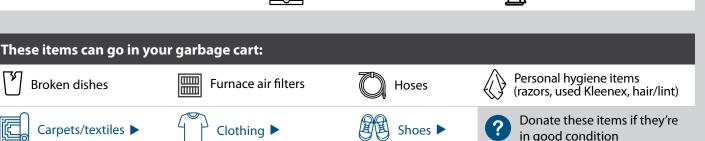

When mixed with other materials, soft plastics like plastic bags, flexible packaging, and overwrap are difficult to separate. If different types of recyclable materials cannot be effectively separated, they cannot be properly recycled.

? Items like paint, chemicals, propane, and even batteries can spark fires at recycling facilities. Residents must take hazardous materials to a recycling depot that accepts them for safe disposal (rcbc.ca).

Dispose of these items at Coquitlam Recycling and Waste Centre

995 United Blvd, Coquitlam • metrovancouver.org • 604.681.5600

Extended producer responsibility

is an approach to recycling that requires manufacturers, distributors, and retailers to take responsibility for the life cycle of the products they sell, including recycling the packaging and products they collect. Use these disposal resources for items outside of the City's program.

Recycle these items at a Return-It Depot

#104 2560 Barnet Hwy/1045A Lougheed Hwy, Coquitlam • encorp.ca • 604.464.6648
