On your waste collection day:

Curb it – set out unlocked carts between 5:30am and 7:30am.

Point it – put wheels against the curb or just off the roadway.

Space it – leave at least one arm’s length of space between carts.

Unclip it – Drivers can’t empty locked carts.

On glass weeks – place your bin so it’s the first thing our driver sees when approaching your house, followed by the smallest of your two carts.

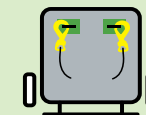

Please remember:

Cart lids must close completely – do not overfill or overstuff.

We only collect waste in carts provided by the City – no extra bags are collected.

Lock clips and secure carts as soon as possible after collection.

Keep bears away by rinsing carts frequently to reduce odours.

About our waste collection program

- **Set out unlocked carts at the curb between 5:30am–7:30am on your collection day**, and re-lock and re-secure carts as soon as possible, and no later than 8pm. If your cart is not emptied by 8pm, bring it in and contact us.
- The City's Solid Waste Bylaw requires that you **keep carts clean, locked and stored securely**.
- **Write your address** on your cart and glass bin - it helps staff assist with issues. If your cart is lost, stolen, or damaged, contact us immediately.
- **Carts and your glass bin are property of the City of Port Moody.** If you move, clean them out and leave them for the next resident to avoid replacement costs.
- If you can't move your carts due to physical challenges, and don't have anyone to help, contact us about our pack-out service.
- The City's Solid Waste Bylaw requires property owners to **properly sort materials** to reduce risk to public health or safety.

Manage your wildlife attractants

Managing wildlife attractants properly is how we keep people and bears safe.

Leaving carts unlocked on non-collection days and setting carts out too early are bylaw violations.

If you don't manage your garbage and other wildlife attractants properly, you could be **fined up to \$1,000** by the City. Report all wildlife conflicts to the BC Conservation Officers Service (COS) at 1-877-952-7277. By reporting early, COS can proactively reduce conflicts through education and enforcement.

Lock your carts, keep them secure, and rinse frequently

Set your carts out between 5:30am and 7:30am

Manage or put away your backyard attractants, like ripe fruit, BBQs, pet food, and bird feed
