## Sign up for a reminder

Get notified the day before your collection. Search “Pomobile” on the Apple or Android app store, or go to [portmoody.ca/recycle](http://portmoody.ca/recycle).

## On your waste collection day:

**Curb it** – set out unlocked carts between 5:30am and 7:30am.

**Point it** – put wheels against the curb or just off the roadway.

**Space it** – leave at least one arm’s length of space between carts.

**Unclip it** – drivers can’t empty locked carts.

**On glass weeks** – place your bin so it’s the first thing our driver sees when approaching your house, followed by the smallest of your two carts.

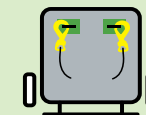

## Please remember:

Cart lids must close completely – do not overfill or overstuff.

We only collect waste in carts provided by the City – no extra bags are collected.

Lock clips and secure carts as soon as possible after collection.

Keep bears away by rinsing carts frequently to reduce odours.

## About our waste collection program

- **Set out unlocked carts at the curb between 5:30am–7:30am on your collection day**, and re-lock and re-secure carts as soon as possible, and no later than 8pm. If your cart is not emptied by 8pm, bring it in and contact us.
- The City's Solid Waste Bylaw requires that you **keep carts clean, locked, and stored securely**.
- **Write your address** on your cart and glass bin - it helps staff assist with issues. If your cart is lost, stolen, or damaged, contact us immediately.
- **Carts and your glass bin are property of the City of Port Moody.** If you move, clean them out and leave them for the next resident to avoid replacement costs.
- If you can't move your carts due to physical challenges, and don't have anyone to help, contact us about our pack-out service.
- The City's Solid Waste Bylaw requires property owners to **properly sort materials** to reduce risk to public health or safety.

## Manage your wildlife attractants

Managing wildlife attractants properly is how we keep people and bears safe.

**Leaving carts unlocked on non-collection days and setting carts out too early are bylaw violations.**

If you don't manage your garbage and other wildlife attractants properly, you could be **fined up to \$1,000** by the City. Report all wildlife conflicts to the BC Conservation Officers Service (COS) at 1.877.952.7277. By reporting early, COS can proactively reduce conflicts through education and enforcement.

**Food odours attract bears. And once they've been rewarded with food, liquids, or garbage, bears will keep coming back.**

- Use your green cart (collected weekly) to dispose of food scraps - food should not be placed in your garbage cart.
- Freeze smelly food scraps until collection day.
- Rinse carts regularly to eliminate odours.
- Rinse all recycling material before placing in your recycling cart to reduce odours.
- If you have a backyard compost, maintain an odourless pile, turn regularly, and keep covered.
- Secure your food and freezers, as well as garbage, green waste, and recycling carts, inside a secure garage or bear-resistant enclosure.
- Ensure that carts remain securely closed with bear clips locked.
- Ensure that carts are only placed at your pick-up spot between 5:30am and 7:30am on your pick-up day.

**Don't fuel the danger**  
**Keep these items**
