2026 Waste Collection Schedule

Important information on green waste, recycling, garbage, and glass collection inside!

Waste collection zone map

Have a question about our solid waste program? Contact the Operations team:

📞 604.469.4574 ✉️ recycle@portmoody.ca 💻 portmoody.ca/recycle

Get personalized weekly reminders and service alerts for Port Moody's waste collection schedule. Search "**PoMobile**" on the Apple or Android app store, or go to portmoody.ca/recycle.

On your waste collection day:

Curb it – set out unlocked carts between 5:30am and 7:30am.

Point it – put wheels against the curb or just off the roadway.

Space it – leave at least one arm's length of space on all sides of carts, and 3.5m (11.5ft) of clearance above carts. Don't place carts against fences, or under trees or balconies.

Unclip it – drivers can't empty locked carts. Clip locks to cart handles on your collection day.

On glass weeks – place your bin so it's the first thing our driver sees when approaching your house, followed by the smallest of your two carts.

Please remember:

Cart lids must close completely – do not overfill or overstuff.

We only collect waste in carts provided by the City – no extra bags are collected.

Lock clips and secure carts as soon as possible after collection.

Keep bears away by rinsing carts frequently to reduce odours.

About your carts

  No food waste	   No batteries or gas canisters	  No plastic bags	  No broken dishes
Garbage	Recycling	Green Waste	Glass
Collected every other week	Collected every other week	Collected weekly	Collected monthly
Upsize to a 240L cart for an additional charge at portmoody.ca/garbage.	Place clean recycling directly in your cart – do not bag recycling.	Wrap food waste in newsprint or paper bags, or put scraps directly in your cart.	Place non-refundable glass bottles and jars directly in your bin (no bags).
If you upsized, think about going back to a smaller cart to save on money and space. Apply at portmoody.ca/garbage.	Find a multilingual list of everything that can be recycled at recyclebc.ca.	Keep bears away by freezing smelly food scraps or storing them in a container with a tight fitting lid until collection day.	Place your glass bin so it's the first thing our drivers see when approaching your house.
Electronics, drywall, hazardous material, wood, and food waste are banned from your garbage cart by Metro Vancouver Bylaw.	No plastic bags, film, overwrap, or flexible packaging is allowed in your recycling cart. Take these back to a depot.	Plastic bags, including those labeled "compostable" or "biodegradable," are not allowed in your green waste cart.	Lids, refundable glass, dishes, mirrors, windows, and ceramics are not allowed in your glass cart.

About our waste collection program

- Set out unlocked carts at the curb between **5:30am–7:30am** on your collection day, and re-lock and re-secure carts as soon as possible.
- Trucks begin collection right at 7:30am.** Pickup times in your neighbourhood may vary from week to week. In the event of operational constraints, **collection may not occur until 8pm.**
- The City's Solid Waste Bylaw requires that you **keep carts clean, locked, and stored securely.**
- Write your address** on your cart and glass bin - it helps staff assist with issues. If your cart is lost, stolen, or damaged, contact us immediately.
- Carts and your glass bin are property of the City of Port Moody.** If you move, clean them out and leave them for the next resident to avoid replacement costs.
- If you can't move your carts due to physical challenges, and don't have anyone to help, contact us about our pack-out service.
- The City's Solid Waste Bylaw requires property owners to **properly sort materials** to reduce risk to public health or safety.

Be bear smart – secure your carts

Food odours attract bears. And once they've been rewarded with food, liquids, or garbage, bears will keep coming back. Locking and storing carts in a secure location on non-collection days is a key step in preventing bears from becoming habituated to receiving food rewards from waste carts.

The City's waste carts are bear resistant, not bear proof. Once a cart is knocked over, bears may use their full body weight to press down on the side of the cart, to pop open the locked lid. Securing your carts substantially impacts a bear's ability to access your waste.

What is a secure location?

1. A garage

2. A wildlife resistant waste enclosure

3. If you do not have a garage or waste enclosure, secure carts to the side of a building or a wall using heavy duty straps to avoid bears knocking over and accessing carts.

Manage your wildlife attractants

Managing wildlife attractants properly is how we keep people and bears safe.

Leaving carts unlocked on non-collection days and setting carts out too

early are bylaw violations. If you don't manage your garbage and other wildlife attractants properly, you could be **fined up to \$1,000** by the City. Report all wildlife conflicts to the BC Conservation Officers Service (COS) at 1-877-952-7277. By reporting early, COS can proactively reduce conflicts through education and enforcement.

Some collection zones have higher levels of bear activity

If you live in the Wednesday or Thursday collection zones, you're in an area with higher bear activity due to nearby natural parkland and greenspaces. To keep people and bears safe, please ensure you do your part by locking and storing your carts in a secure location on non-collection days.
