# Statement of Financial Information Management Report

---

## Prepared under the Financial Information Regulation, Schedule 1, Section 9(3).

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Generally Accepted Accounting Principles or stated accounting principles, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

City Council is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and exercises this responsibility through a committee of Council. Council meets with management weekly throughout the year and with the external auditors once per year.

The General Manager, Finance and Technology Department has the responsibility for assessing the management systems and practices of the City.

The external auditors, BDO Canada LLP, conduct an independent examination, in accordance with Generally Accepted Auditing Standards, and express their opinion on the financial statements. Their examination includes a review and evaluation of the City's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to Council and meet with it once per year to review the audit results.

## *Compliance with the Financial Information Regulation*

The City of Port Moody is required under the *Financial Information Act* to prepare a **Statement of Financial Information** and make it available to the public within six months of the fiscal year end. The Financial Information Regulation specifies the required content which is as follows:

- The **2025 Audited Financial Statements** are prepared in accordance with Generally Accepted Accounting Principles for Local Governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada and the Ministry of Municipal Affairs. The 2025 Financial Statements include notes that disclose the accounting policies followed in preparing the financial statements.
- The **2025 Schedule of Debts** includes a list of all the organization's long-term debts, including the amount outstanding, the interest rate and maturity date for each debt.
- The **2025 Schedule of Guarantee and Indemnity Agreements** includes a list of financial guarantees and indemnity agreements in force at December 31, 2025. The list includes the names of the entities, and the amount of money involved.
- The **2025 Schedule of Council Remuneration and Expenses** includes a list of each member of Council, the total amount of remuneration paid including salary, indemnity and taxable benefits, and the total amount of expenses paid to or on behalf of that Council Member during 2025. The total amount of expenses recorded includes only expenses reimbursed with City funds. Expenses reimbursed by other organizations are excluded. See NOTE below for more information.
- The **2025 Schedule of Employee Remuneration and Expenses** includes a list of employees earning more than \$75,000 and the total amount of remuneration and expenses paid to or on behalf of that employee during 2025. The base remuneration includes the salary, taxable benefits, retroactive pay pursuant to settled labor contracts related to 2025 and contractual payouts for retired employees. The other remuneration includes contractual payouts such as unused vacation and overtime. In instances where an employee leaves the organization, full contractual payout of unused vacation and overtime may result in higher overall amounts. The total amount of expenses recorded includes only expenses reimbursed with City funds. In addition, the schedule includes the total paid to all other employees during 2025 where the amounts paid are less than the \$75,000 threshold. See NOTE below for more information.
- The **2025 Statement of Severance Agreements** includes a statement of the number of severance agreements made during 2025 by the City in respect of non-union employees and the number of equivalent months' gross salaries represented by these agreements.
- The **2025 Schedule of Payments for the Provision of Goods or Services** includes an alphabetical list of the individuals or corporations where the total amount paid during 2025 exceeds \$25,000. In addition, the schedule includes a total of all amounts paid to all other

CITY OF PORT MOODY

suppliers during 2025 where the amounts paid are less than the \$25,000 threshold. See NOTE below for more information.

- The **2025 Schedule of Payments for the Purpose of Grants and Contributions** includes an alphabetical list of organizations where the total amount paid during 2025 exceeds \$25,000. In addition, the schedule includes a total of all grants and contributions related payments to all other individuals or corporations during 2025 where the amounts paid are less than the \$25,000 threshold. See NOTE below for more information.

---

**NOTE:** The Statement of Financial Information Schedules are based on amounts paid during the fiscal period (cash basis).

# 2025 Audited Financial Statements

---

**Prepared under the Financial Information Regulation, Schedule 1, Section 2 and 3.**

The Audited Financial Statements are provided following the Auditors' Report.

---

## Independent Auditor's Report

---

To the Mayor and Council of the City of Port Moody

### Opinion

We have audited the accompanying financial statements of the City of Port Moody (the "City"), which comprise the Statement of Financial Position as at December 31, 2025, and the Statements of Operations, Changes in Net Financial Assets and Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the City as at December 31, 2025, and the results of its operations, change in net financial assets, and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of this report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### Unaudited Information

We have not audited, reviewed or otherwise attempted to verify the accuracy or completeness of 'Schedule 1 - COVID 19 Safe Restart Grants for Local Governments' and 'Schedule 2 - Growing Communities Fund (GCF)' that are included at the end of these financial statements.

# Notes to Financial Statements

YEAR ENDED DECEMBER 31, 2025

## 1. Summary of Significant Accounting Policies

The City of Port Moody (the "City") is incorporated under the Local Government Act of British Columbia. The City's principal activities include the provision of local government services to residents of the incorporated area. These include administrative, protective, transportation, environmental, recreational, water, and sewer and drainage.

The accounting policies of the City are in accordance with Canadian Public Sector Accounting Standards ("PSAS") as recommended by the Public Sector Accounting Board and include the following significant policies:

### (A) BASIS OF PRESENTATION

The financial statements include the accounts of all funds of the City as noted below and reflect a combination of the City's Operating, Capital and Reserve Funds, the Port Moody Police Department and the Port Moody Public Library. All interfund assets, liabilities and transactions have been eliminated.

The General Fund, the Sanitary Sewer and Drainage Fund, and the Water Utility Fund are self-balancing funds and are treated as separate centres of operations responsible for the resources or activities allocated to them.

Statutory Reserve Funds are holding financial assets of a restricted nature until such time as they are needed to finance future projects.

### (B) BASIS OF ACCOUNTING

The City follows the accrual method of accounting. Expenses are recognized as they are incurred and measurable based on the receipt of goods and services and/or the creation of a legal obligation to pay.

### (C) CASH

Cash includes short-term, highly liquid investments that are readily available to convert to known amounts of cash, are subject to an insignificant risk of changes in value, and have maturity dates within 90 days of their acquisition dates.

### (D) INVESTMENTS

Investments are carried at cost and written down when there has been a decline in value that is other than temporary. Accrued interest is included in accounts receivable.

### (E) NON-FINANCIAL ASSETS:

#### (i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The costs, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

ASSET TYPE	DEPRECIABLE LIFE IN YEARS
Buildings	15–75
Furniture, Equipment, Technology & Vehicles	4–40
Water Infrastructure	10–100
Sewer and Drainage Infrastructure	10–100
Roads Infrastructure	20–80
Capital Leases	3–20

Construction in progress is not amortized as these assets are not yet available for use. Write-downs of tangible capital assets occur when conditions indicate that the assets no longer contribute to the City's ability to provide goods and services, or the value of future economic benefits associated with the assets is less than their net book value.

The City has many natural assets that reduce the need for engineered infrastructure that would otherwise be required. These include the numerous creeks, ditches, forests, and wetlands, which contribute to rainwater management, flood and drought resiliency, biodiversity, carbon sequestration and climate resiliency. Canadian public sector accounting standards do not

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2025

currently allow for the valuation and recording of such assets into the financial statements of the City. As such, these natural assets are not reported in these financial statements. Nevertheless, the City acknowledges the importance of these assets and the need to manage them in conjunction with engineered infrastructure.

*(ii) Leased Tangible Capital Assets*

Assets under capital lease are initially recorded at the lesser of fair value and the present value of future minimum lease payments at the inception of the lease.

*(iii) Works of Art and Culture*

Works of art and culture are not recorded in these financial statements.

*(iv) Inventories*

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

*(v) Interest Capitalization*

The City does not capitalize interest costs associated with the acquisition or construction of tangible capital assets.

### (F) REVENUE RECOGNITION

*(i) Taxation*

Property tax revenues are recognized when they meet the definition of an asset, have been authorized and the taxable event occurs. Property taxes are calculated based on assessed property values determined by the British Columbia Assessment Authority's (BCAA) and annual mill rates approved by Council. Annual levies for non-optional municipal services and general administrative services are recorded as taxes revenue in the year they are levied.

Taxes revenue is initially recorded based on management's best estimate of the taxes that will be received. Changes in future conditions, such as reassessments due to audits, appeals and court decisions, could result in a change in the amount of tax revenue recognized. Taxes receivable are recognized net of allowance for anticipated uncollectible amounts. Levies imposed by other taxing authorities are not included as taxes revenue. Amounts received prior to recognition are deferred and recognized in the year they are levied.

*(ii) Government Transfers*

Government transfers are recognized in the financial statements as revenues in the period the transfers are authorized and any eligibility criteria have been met, except when and to the extent that stipulations exist that gives rise to an obligation that meets the definition of a liability. Transfers received that meet the definition of liability are initially deferred and subsequently recognized as the stipulations that gave rise to the liability are settled.

*(iii) Investment Income*

Investment income is reported as revenue in the period that it is earned, based on the terms of the underlying financial instruments and in accordance with the financial instrument measurement policies disclosed in Note 12.

*(iv) Development Cost Charges*

Development cost charges received or receivable by the City are restricted to offset the cost of future infrastructure development by legislation of the Province of British Columbia. These inflows are initially deferred and recognized as revenue in the period that the funds are used for the specified purpose(s).

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2025

(v) *Contributed Tangible Capital Assets*

Tangible capital assets contributed to the City are recorded as revenue when the City acquires control over the contributed assets. These assets are recognized at their estimated fair value, which is the amount of consideration that would be agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act. When fair value cannot be estimated, contributed tangible capital assets are recognized at a nominal value.

(vi) *Sale of Goods and Services, and Other Revenues*

**Revenue streams with performance obligations**

Revenue from transactions with performance obligations is recognized either at a point in time or over a period of time, depending on when control of the benefits associated with the promised goods or services has passed to the City, and the performance obligations are satisfied. The transaction price for all below noted streams is as specified in the relevant agreements, or City bylaws and administrative policies.

Water services and wastewater services carry performance obligations that are satisfied in one of two ways. For fees charged to maintain service access throughout a period of time, performance obligations are satisfied on a straight-line basis throughout that period. For variable consumption fees, performance obligations are satisfied in conjunction with the measured consumption.

Solid waste disposal services carry performance obligations to maintain service throughout the period of time for which the fees are charged. Satisfaction of performance obligations is measured on a straight-line basis throughout that period of time.

Recreation services revenue carries performance obligations that vary from being satisfied at one or more points in time, such as with single-use passes and multi-use passes, to being satisfied throughout a period of time, such as with monthly or annual passes. Satisfaction of performance obligations that are met over a period of time are measured on a straight-line basis throughout that period of time.

Lease and rental revenues carry performance obligations that are satisfied throughout the period of time that the agreement relates to. Satisfaction of these performance obligations is measured on a straight-line basis throughout that period of time.

License and permit fee revenue is recognized in one of two ways. Where there is no further performance obligation for the City after issuance of the license or permit, revenue is recognized when the permit is issued and in effect. Where there are continuing performance obligations beyond issuance, revenue is recognized over the period of time that the City performs these obligations.

**Revenue streams without performance obligations**

Revenue from transactions without performance obligation is recognized at realizable value when the City has the authority to claim or retain an inflow of economic resources and there is a past transaction or event that gives rise to the economic resources. This applies to revenue from tax penalties and interest, parking violations, all other fines and penalties, and various amounts received in connection with rezoning and development processes. The transaction price is as specified in the relevant agreements, or City bylaws and administrative policies.

YEAR ENDED DECEMBER 31, 2025

### (G) BUDGET INFORMATION

Budget information, presented on a basis consistent with that used for actual results, was included in the Port Moody Consolidated Five Year Plan and was adopted through Bylaw number 3508 on May 6, 2025.

### (H) DEBT

Debt is measured at amortized cost, and recorded net of any related sinking fund balances.

### (I) EMPLOYEE FUTURE BENEFITS

The City and its employees make contributions to the Municipal Pension Plan. The Municipal Pension Plan is a multi-employer contributory defined benefit pension plan. These contributions are expensed as when paid or payable.

Sick leave benefits and certain post-employment benefits are also available to the City's employees. The liability relating to these benefits is actuarially determined based on service and best estimates of retirement ages and expected future salary and wage increases. The liability under this benefit plan is accrued based on projected benefits as the employees render services necessary to earn the future benefits.

### (J) USE OF ACCOUNTING ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that affect the reported assets, liabilities, contingent assets and liabilities, revenues and expenditures at the reporting date. Significant areas requiring the use of management estimates relate to the determination of accrued payroll liability, employee future benefit liability, value of contributed tangible capital assets, the useful life of tangible capital assets, and the amount and timing of costs to settle asset retirement obligations. Actual results could differ from these estimates.

### (K) SEGMENT DISCLOSURES

A segment is defined as a distinguishable activity or group of activities of a government for which it is appropriate to separately report financial information to achieve the objectives of the standard. The City has provided definitions of segments as well as presented financial information in segmented format in Note 20.

### (L) CONTAMINATED SITES

A liability for contaminated sites is recognized when a site is not in productive use or an unexpected event occurs, and the following criteria are met:

- a) An environmental standard exists;
- b) Contamination exceeds the environmental standard;
- c) The City is directly responsible or accepts responsibility;
- d) It is expected that future economic benefits will be given up; and
- e) A reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of remediation and post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

As at December 31, 2025, the City has no liability for contaminated sites.

### (M) ASSET RETIREMENT OBLIGATIONS

Asset retirement obligations are expenditures that are expected to be incurred upon the retirement of tangible capital assets. The City recognizes asset retirement obligations when there is a legal obligation to incur retirements costs in relation to a tangible capital asset, the past transaction or event giving rise to the liability has occurred, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount can be made.

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2025

The liability is recorded at an amount that is the best estimate of the expenditure required to retire a tangible capital asset at the financial statement date. This liability is subsequently reviewed at each financial reporting date and adjusted for the passage of time (accretion expense) and for any revisions to the timing, amount required to settle the obligation or the discount rate. Upon the initial measurement of an asset retirement obligation, a corresponding asset retirement cost is added to the carrying value of the related tangible capital asset if it is still in productive use. This cost is amortized over the useful life of the tangible capital asset. If the related tangible capital asset is unrecognized or no longer in productive use, the asset retirement costs are expensed.

### (N) CONTRACTUAL RIGHTS

Contractual rights are rights to economic resources arising from contracts or agreements that will result in revenues and assets in the future. As at December 31, 2025, the significant contractual rights to the City consisted of developer contributions. These rights exist as the City has entered into several public works development agreements that require the developers to contribute various infrastructure assets to the City, including roads and underground utilities. The timing and extent of these future contributions vary depending on the nature and timing of the development activity. The receipts will be recorded as revenue based on the fair values of the assets received at the time that the City acquires control of the assets.

### (O) FINANCIAL INSTRUMENTS

Financial instruments are assigned to one of two categories:

#### (i) *Fair Value*

Derivatives and portfolio investments in equity instruments that are quoted in an active market are required to be assigned to the fair value category. Instruments in this category are measured at fair value as at the reporting date. Sales and purchases of investments are recorded on the trade date. Transaction costs are recorded

as an expense. Unrealized gains and losses are recognized in the statement of remeasurement gains and losses until such time that the financial instrument is derecognized due to disposal or impairment. At the time of derecognition, the related realized gains and losses are recognized in the statement of operations and related balances reversed from the statement of remeasurement gains and losses.

As at December 31, 2025, the City does not hold any financial instruments that have been assigned to the fair value category. As a result, there are no unrealized gains and losses, and a statement of remeasurement gains and losses has not been included in these financial statements.

#### (ii) *Cost or Amortized Cost*

All other financial instruments are measured at cost or amortized cost. Gains and losses are recognized in the statement of operations when the financial instrument is derecognized due to disposal or impairment. Transactions costs are added to the carrying value.

Financial instruments assigned to the cost or amortized cost category are cash, investments, accounts receivable (excluding property taxes receivable as these are not considered financial instruments under PSAS 3450), accounts payable and accrued liabilities, refundable deposits, the accrued payroll and other components of other liabilities, capital leases obligations, and debt.

Financial assets carried at cost or amortized cost are assessed for impairment on an annual basis. If there is a significant adverse change in the amount or timing of expected future cash flows, the value of the asset is reduced, and an impairment loss is recorded in the statement of operations. If events and circumstances reverse in future periods, the impairment loss is reversed to the extent of the improvement, not exceeding the initial carrying value.

YEAR ENDED DECEMBER 31, 2025

### 6. Other Liabilities

	2025	2024
Accrued payroll liability	\$ 6,303,161	\$ 3,725,840
Employee future benefit liability	5,288,900	5,217,300
Other	326,864	464,254
	<b>\$ 11,918,925</b>	<b>\$ 9,407,394</b>

The City provides future benefits for sick leave and other post-employment benefits to all its employees. All employees accumulate these benefit entitlements and can only use these entitlements for paid time off under certain circumstances. The total expense recorded in the financial statements in respect of obligations under this plan amounts to \$468,800 (2024 - \$468,500).

	2025	2024
Employee future benefit obligation:		
Balance, beginning of year	\$ 4,463,200	\$ 4,219,800
Current service cost	361,300	348,500
Interest cost	190,500	185,000
Benefits paid	(397,200)	(310,200)
Actuarial loss in the year	389,800	20,100
<b>Balance, end of year</b>	<b>5,007,600</b>	<b>4,463,200</b>
Employee future benefit obligation	5,007,600	4,463,200
Unamortized actuarial gain	281,300	754,100
	<b>\$ 5,288,900</b>	<b>\$ 5,217,300</b>

The unamortized actuarial gain is amortized over a period equal to the employees' average remaining service lifetime (13 years). During the year an actuarial gain of \$83,000 (2024 - \$65,000) was amortized and recognized as a component of salaries and benefits expenses.

The significant actuarial assumptions adopted in measuring the City's accrued benefit obligation are as follows:

Discount rate	4.20%	4.10%
Expected future inflation rate	2.50%	2.50%

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2025

### 7. *Deferred Revenue*

	Balance December 31, 2024	Amounts Received	Revenue Recognized	Balance December 31, 2025
Taxes and utilities	\$ 3,621,510	\$ 7,598,972	\$ 7,214,339	\$ 4,006,143

Government transfers for future capital works	1,140,770	77,064	524,545	693,289
Private contribution for future capital works	406,390	163,038	569,428	-
Development services fees and permits	2,875,868	692,671	738,513	2,830,026
Other	87,192	187,878	212,054	63,016
	<u>\$ 10,095,750</u>	<u>\$ 11,615,287</u>	<u>\$ 12,053,334</u>	<u>\$ 9,657,703</u>

Revenue related to the Inlet housing 60-year prepaid lease is restricted by agreement with Metro Vancouver Housing Corporation and is being recognized over the lease term which terminates December 31, 2062.

### 8. *Capital Lease Obligation*

Capital lease obligations are due as follows:

Year	Total
2026	\$ 61,719
2027	53,907
2028	18,731
2029	2,911
2030	2,911
2031 & Beyond	1,456
Net minimum capital lease payments	<u>141,635</u>
Less amounts representing interest	<u>11,606</u>
Capital Lease Obligations	<u>\$ 130,029</u>

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2025

### 9. Debt

The City's debt consists of debt instruments obtained through the Municipal Finance Authority ("MFA") pursuant to security issuing bylaws under authority of the Community Charter and has been issued in order to finance certain capital expenditures. Sinking fund balances managed by the MFA are offset against related long-term debt. Gross amounts for the debt and the amount for repayments and actuarial adjustments are as follows:

	2025	2024
Bylaw Debt (Note (9a))	\$14,709,475	\$15,544,804
Other Loans (Note (9b))	6,315,125	6,687,876
<b>Total Debt</b>	<b>\$21,024,600</b>	<b>\$22,232,680</b>

#### a) Bylaw Debt

Bylaw Number / Purpose	Maturity Date	Interest Rate	Authorized	Repayments and Actuarial Adjustments	2025	2024
2679 - Police building debt	2026	1.53%	\$ 3,000,000	\$ 2,865,955	\$ 134,045	\$ 343,863
2878 - Fire Hall #1 building debt	2042	3.39%	6,000,000	1,866,494	4,133,506	4,323,727
2878 - Fire Hall #1 building debt	2043	4.52%	3,000,000	832,663	2,167,337	2,255,839
3018 - Capital Remedial Works	2043	3.20%	10,500,000	2,225,413	8,274,587	8,621,375
			\$ 22,500,000	\$ 7,790,525	\$ 14,709,475	\$ 15,544,804

As a condition of these borrowings, a portion of the debenture proceeds is withheld by the MFA in a Debt Reserve Fund (DRF). The City also executes demand notes in connection with each debenture. These demand notes are contingent in nature and are not reflected in the accounts. The debt reserve fund balance is included in Accounts Receivable. The details of the debt reserve fund and contingent demand notes at December 31, 2025, are as follows:

Purpose	DRF Deposits	Demand Notes
Police building debt	\$ 53,942	\$ 90,273
Fire Hall #1 building debt	86,765	95,490
Fire Hall #1 building debt	42,127	43,995
Capital Remedial Works	126,225	206,996
	\$ 309,059	\$ 436,754

YEAR ENDED DECEMBER 31, 2025

### 9. Debt (Continued)

#### b) Other Loans

Resolution/Agreement	Purpose	Term (Months)	Principal	Repayments	2025	2024
B006800080510	Vehicles	60	\$ 333,707	\$ 83,055	\$ 250,652	\$ 268,031
B006800160614	Vehicles	60	260,440	133,805	126,635	167,669
B006800170614	Vehicles	60	257,217	257,217	-	74,374
RC18/586	Vehicles	60	3,605,000	454,113	3,150,887	3,246,821
FC22/056	Vehicles	60	1,474,000	139,002	1,334,998	1,401,067
FC24/004	Vehicles	60	1,552,250	100,297	1,451,953	1,529,914
			\$ 7,482,614	\$ 1,167,489	\$ 6,315,125	\$ 6,687,876

Interest rates on Other loans range from 2.91% to 4.05% (2024 - 4.25% to 5.61%).

Future principal repayments and actuarial adjustments on net outstanding debt over the next five years and thereafter are as follows:

Year	Total	Principal Repayments	Expected Actuarial Adjustments
2026	\$ 1,182,397	\$ 990,227	\$ 192,170
2027	1,079,631	901,230	178,401
2028	1,105,204	905,857	199,347
2029	1,117,137	897,020	220,117
2030	1,110,594	868,790	241,804
Thereafter	15,429,637	10,461,091	4,968,546
	\$ 21,024,600	\$ 15,024,215	\$ 6,000,385

The City paid \$690,500 in interest on long-term debt during the year (2024 - \$812,300).

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2025

### 10. *Deferred Development Levies*

	Development Cost Charges						Total		
	Water	Sanitary Sewer	Drainage	Roads	Parks	Total	Town Centre	2025	2024
<b>Opening Balance</b>	\$ 3,090,852	\$ 20,024	\$ 1,273,235	\$ 6,718,978	\$ 11,208,937	\$ 22,312,026	\$ 1,080,736	<b>\$23,392,762</b>	\$ 19,945,489

Development cost charges (DCCs) are collected as per the DCC Bylaw number 3054 and DCC Reduction Bylaw number 3212.

Town Centre - 215A Agreement is subject to site specific development cost levies.

### 11. *Asset Retirement Obligations*

The City owns several buildings that contain asbestos, which represents a health risk upon renovation or demolition of the assets. There is a legal obligation to remove and dispose of the materials containing asbestos, and in a manner that protects workers performing these tasks.

The related asset retirement costs are being amortized on a straight-line basis over the estimated useful life of the assets as per the Tangible Capital Asset Policy (Note 1.(e)). The initial liability was estimated using a net present value technique with a discount rate (2024 - 4.20%). The estimated total undiscounted future expenditures are \$654,547. The expenditures are expected to be incurred, and the liability settled, between 2026 and 2033. No recoveries are expected at this time.

	2025	2024
Opening balance	\$ 521,089	\$ 597,207
Liability recognized during the year due to additional obligations	15,973	18,960
Settling of liability during the year	-	(120,202)
Increase due to accretion	20,783	25,124
<b>Ending balance</b>	<b>\$ 557,845</b>	<b>\$ 521,089</b>

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2025

### *12. Financial Instruments Risk Management*

The City is exposed to credit risk, interest rate risk, liquidity risk, and foreign exchange risk from the City's financial instruments as follows. The City's exposure to these risks has not changed from the prior year.

#### **(A) CREDIT RISK**

Credit risk arises from the City's cash, accounts receivable, and investments.

Accounts receivable (excluding property taxes receivable as these are not considered financial instruments under PS 3450), consist primarily of amounts receivable from the provision of utilities and other services, and transfers from other governments. To manage the risk, the City regularly reviews the collectability of its accounts receivable and establishes an estimated allowance for uncollectible amounts when required.

The City manages exposure to credit risk for investments by ensuring adequate diversification, and by investing only in guaranteed investment certificates and bonds with major Canadian financial institutions, and instruments issued by the MFA. These investments meet the requirements of Section 183 of the Community Charter of the Province of BC.

#### **(B) INTEREST RATE RISK**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The City is exposed to interest rate risk through its debt and its investments.

Debt subject to interest rate risk is the Other Loans component of debt disclosed in Note 9. These loans carry variable interest rates. As market interest rates rise, the servicing payment on these loans increases. All other debt carries fixed interest rates and is not subject to interest rate risk.

Investments subject to interest rate risk are the Bonds and MFA Pooled Bond Funds disclosed in Note 2. As interest rates rise, the fair value of these investments decreases; as interest rates fall the fair value of these investments increases.

#### **(C) LIQUIDITY RISK**

Liquidity risk is the risk that the City will not be able to meet its financial obligations as they become due. The City is exposed to liquidity risk through its accounts payable and accrued liabilities, refundable deposits, capital lease obligation, and debt. The repayment schedule for debt is disclosed in Note 9. Other financial liabilities are generally due within the next fiscal year.

The City manages liquidity risk through its planning and forecasting process, and by maintaining sufficient amounts of short-term or highly liquid investments.

In 2025, the City entered into a land exchange agreement whereby land under roads was conveyed to a developer in exchange for future parkland. An \$8,647,543 deposit for future parkland has been recorded representing the City's interest in the parkland to be transferred upon completion of the development. As at December 31, 2025, the City does not have possession or control of the parkland, accordingly, the deposit does not represent a tangible capital asset and will be reclassified upon transfer of title and control.

In 2025, the City has not received any contributed tangible capital assets that met the capitalization criteria (2024 - \$362,122).

Disposal of construction in progress represent write-downs of projects which have been assessed to no longer provide future economic benefits to the City.

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2025

### 15. Contractual Obligations and Contingent Liabilities

- (a) Loan agreements with the Greater Vancouver Water District and the Greater Vancouver Sewerage and Drainage District provide that, if at any time the scheduled payments provided for in the agreements are not sufficient to meet the obligations in respect to such borrowings, the resulting deficiency becomes the joint and several liability of the City and the other member municipalities.

Any liability that may arise as a result of the above noted contingency will be accounted for in the period in which the amount is determined to be payable. Management does not consider payment under this contingency to be likely and therefore, no amounts have been accrued.

- (b) Management has accrued amounts for estimated losses based on pending claims against the City when the City is likely to incur a loss. The loss amount is based on management's best estimate and the actual amount of the loss incurred may be above or below the amount recorded in the financial statements. Any excess or deficiency will be adjusted during the year in which the actual amounts are known. In addition, there are a number of lawsuits pending in which the City is involved where a determination of the potential outcome or amount of these claims cannot be made. The potential claims against the City resulting from such litigation and not covered by insurance are not considered to materially affect the financial statements of the City.
- (c) The City is a participant in the Municipal Insurance Association of British Columbia (the "Association"). Should the Association pay out claims in excess of the premiums received, it is possible that the City, along with the other participants, would be required to contribute towards the deficit. Management does not consider payments under this contingency to be likely and therefore no amounts have been accrued.

- (d) The City is a shareholder and member of Emergency Communications for British Columbia Incorporated ("E-Comm") whose services provided include: regional 9-1-1 call centre; Wide Area Radio network, dispatch operations; and records management. The City has 2 Class A Shares (Police and Fire) and 1 Class B Share (Operations) (of a total of 28 Class A and 23 Class B shares issued and outstanding as at December 31, 2025). As a Class A shareholder, the City shares in both funding the future operations and capital obligations of E-Comm (in accordance with a cost sharing formula), including any lease obligations committed to by E-Comm up to the shareholder's withdrawal date. As a Class B shareholder, the City is only obligated to share in funding of the ongoing operating costs.
- (e) The City has entered into contractual operating leases and other agreements that extend to 2032. The net minimum payments are:

YEAR	MINIMUM PAYMENT
2026	\$ 320,227
2027	293,824
2028	254,649
2029	250,000
2030	250,000
2031	250,000
2032	250,000
	<u>\$ 1,868,700</u>

- (f) The City owns tangible capital assets on land that has been leased from other parties. Based on existing legal arrangements, the City may be required to incur costs to remove these assets at some future point in time. The likelihood of this requirement occurring, the extent of costs that would be incurred, or the timing of incurring of those costs cannot be reasonably estimated at this time.

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2025

### 16. *Pension Plan*

The City and its employees contribute to the Municipal Pension Plan (a jointly trusted pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2024, the plan has about 273,000 active members and approximately 133,000 retired members. Active members include approximately 47,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation for the Municipal Pension Plan as at December 31, 2024, indicated a \$2.675 million funding surplus for basic pension benefits on a going concern basis.

The next valuation will be as at December 31, 2027.

The City of Port Moody paid \$4,198,167 (2024 - \$4,109,735) for employer contributions while employees contributed \$3,565,385 (2024 - \$3,479,368) to the plan in fiscal 2025.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

### 20. *Segmented Information*

Segments have been identified based upon lines of services provided by the City. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1. City services are provided by departments, and their activities are reported by functional area in the body of the financial statements. Certain lines of service that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

#### **CORPORATE ADMINISTRATION**

Corporate Administration is responsible for the development of appropriate administrative and corporate policies and proper legislative practices, ensuring effective financial, information, human resource and asset management. Corporate Administration is also responsible for the implementation and support for computer information systems, monitoring performance and ensuring that the City's high quality service standards are adhered to.

#### **COMMUNITY DEVELOPMENT**

Development Services is responsible for ensuring sustainable development of the City through land use plans, city bylaws and proper review of new development.

#### **COMMUNITY SERVICES**

Community Services is responsible for providing, facilitating the development of and maintaining high quality recreational facilities for the enjoyment, health and fitness of the community as well as the maintenance and operation of civic facilities. Additionally, they are responsible for developing and enhancing a creative community by supporting local artists.

#### **ENGINEERING AND OPERATIONS**

Engineering and Operations are responsible for the delivery of municipal services such as transportation, garbage and recycling.

#### **ENVIRONMENT AND PARKS**

Environment and Parks are responsible for environmental stewardship and providing, facilitating the development of, and maintaining high quality parks for the community's enjoyment.

#### **LIBRARY SERVICES**

Library provides the public with access to information and fosters the development of imagination and creative pursuits.

#### **POLICE SERVICES**

Police are responsible for maintaining and enhancing the quality of life in the City. Through strong community partnerships, they protect life and property by providing services that resolve problems and prevent crime.

#### **FIRE SERVICES**

Fire is responsible for preventing and minimizing the loss of life and property from fire and natural or man-made emergencies.

#### **SEWER AND DRAINAGE SERVICES**

Sewer and Drainage is responsible for ensuring effective operation of sanitary and storm sewers for residents.

#### **WATER SERVICES**

Water is responsible for ensuring safe drinking water for residents.

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2025

### 21. Other Government Taxes

Taxes collected on behalf of other jurisdictions are excluded from the revenues of the City:

	2025	2024
Provincial Government - School Tax	\$ 27,040,491	\$ 26,860,504
Greater Vancouver Regional District	1,417,673	1,351,022
South Coast British Columbia Transit Authority (TransLink)	7,911,392	6,793,973
British Columbia Assessment Authority	966,337	929,205
Municipal Finance Authority	4,749	4,684
	<b>\$ 37,340,642</b>	<b>\$ 35,939,388</b>

### 22. Comparative Figures

Certain prior year figures have been reclassified for comparative purposes to conform with the current year's presentation.

The following schedules have been prepared as supplementary information and are not audited or covered by the Independent Auditor's Report.

*Schedule 1 (Unaudited) - COVID 19 Safe Restart Grants for Local Governments*

	2025	2024
<b>Balance, beginning of the year</b>	<b>\$ 308,880</b>	<b>\$ 495,651</b>
<b>Eligible costs</b>		
Information services and technology costs	(149,999)	(186,771)
<b>Balance, end of the year</b>	<b>\$ 158,881</b>	<b>\$ 308,880</b>

*Schedule 2 (Unaudited) - Growing Communities Fund (GCF)*

The Province of British Columbia distributed conditional GCF grants to communities at the end of March 2023 to help local governments build infrastructure and amenities to meet the demand of population growth. The fund provided a one-time total of \$1 billion in grants to all 161 municipalities and 27 regional districts in British Columbia.

Based on a formula set by the Minister of Municipal Affairs, City of Port Moody received \$6,734,000 of GCF funding in March 2023.

	2025	2024
<b>Balance, beginning of the year</b>	<b>\$ 6,451,464</b>	<b>\$ 6,521,932</b>
<b>Eligible costs</b>		
Snow clearing equipment	-	(4,618)
Park and recreation improvements	(2,820,689)	(450,454)
Infrastructure improvements	(33,017)	(49,872)
Truth and reconciliation initiatives	(169,097)	(61,173)
	<b>(3,022,803)</b>	<b>(566,117)</b>
<b>Investment income allocated</b>	<b>369,053</b>	<b>495,649</b>
<b>Balance, end of the year</b>	<b>\$ 3,797,714</b>	<b>\$ 6,451,464</b>

## 2025 Schedule of Debts

---

**Prepared under the Financial Information Regulation, Schedule 1, Section 4.**

The Schedule of Debts is provided in Note 9 of the Audited Financial Statements.

## 2025 Schedule of Guarantee and Indemnity Agreements

---

**Prepared under the Financial Information Regulation, Schedule 1, Section 5.**

This organization did not give any guarantees or indemnities under the Guarantees and Indemnities Regulation during the fiscal year.

## 2025 Schedule of Council Remuneration and Expenses

---

Prepared under the Financial Information Regulation, Schedule 1, Section 6(2)(a).

Name	Position	Base Salary	Taxable Benefits	Expenses
<b>Lahti, Meghan</b>	Mayor	152,222	979	4,326
<b>Agtarap, Samantha</b>	Councilor	60,174	492	3,307
<b>Dilworth, Diana</b>	Councilor	60,174	492	6,607
<b>Knowles, Kyla</b>	Councilor	60,174	492	9,788
<b>Lubik, Amy</b>	Councilor	60,174	492	3,653
<b>Lurbiecki, Haven</b>	Councilor	60,174	492	6,085
<b>Morrison, Callan</b>	Councilor	60,174	492	10,247
<b>Total</b>		<b>\$513,265</b>	<b>\$3,932</b>	<b>\$44,012</b>

## 2025 Schedule of Employee Remuneration and Expenses

Prepared under the Financial Information Regulation, Schedule 1, Section 6(2)(b)

### Staff (Greater than \$75,000)

Remuneration includes base salary, acting pay and overtime, as well as payment of retroactive rate increases. Taxable benefits include group life insurance and other allowances, as well as one-time payments (i.e. banked vacation and gratuity).
